Once the Master Class has been conferred, please follow the guidelines that Mo. Balzani suggests to optimize the work with you:

- Before the lesson send a video of the performance of the piece in question (keyboard and hands clearly visible and fixed camera); video and, above all, audio must be of adequate quality.
- Simultaneously with the video, send the score of the piece in pdf format with numbered bars.
- Make an appointment for the live broadcast; the lesson will be booked a few days after the video is sent, in the meantime Mo. Balzani will view it, detailing the considerations and advice to give.

Ok, well done. Now you need to send this filled form with the attachments 1) and 2) ONE SIGLE MAIL to the address masterclassbalzani@pianofriends.eu
